The Athletic Association has the largest enroll ment of any organizaton in the school. Every student or faculty member who purchases either a feotball or a basketball season ticket is a member of the association. The membership is about 900 at present

The Athletic Association sponsors the annual M" Men's day which has been a success ever since it was stared. A parade is held in the morning in which prizes are awarded for originality in decorating

The Athletic Association also sponsors the interclass basket-ball tournaments and the track meet

The Literary Association is an organization of good size also, ranking next to the Athletic Association in membership, having about 800 ticket holders

The Literary season ticket offers the Line () Type, two "Literary Hops," the Declamation and Extempore contests and the debates.

The Association acted as hosts in the Big Nine Extempore contest this year and a dance was given afterwards

The Literary Association aids all literary undertakings and it is largely through this assistance that our publications and literary contests have been on so high a basis for the last several years

### AFTER DINNER CLUB

OFFICERS

Salhe Griswold Alice Christiansen Secretary and Treasurer

All Senior girls are eligible for membership in the After Dinner Club and most of them belong. Like the Fellowship Club they meet once a month. After a short region in the And tortain they are ourn to the catetrial when dinner is served at least speaker heard; after which dancing is enjoyed in the gym.

"Corney Turns the Trick ' which was presented by the girls on March 23, was a big success. Miss Lerum and Miss Hutchinson acted as faculty advisers in the fall semester. Miss Day replaced Miss Lerum when the latter left in the second semester.

Robert O'Rourke	 ecretary-Treasurer

The purpose of this club is to promote good fellowship among the boys of the color, ass. Dinner needings are lead northly in the cateloria of program including in our side speaker being presented. Some very interesting and entertaining programs were enjoyed this year. Such speakers as Jean Pope, Emil Anthony, E. P. Nutting, and Mr. Jones, faculty adviser, were heard.

The two most important outside activities of the club, the annual minstrel show and the joint party with the A. D. C. girls, were very successful affairs

The Philia Club is sponsored by the Y. W. C. A. for girls of the Sophomore and Junior classes. This is the third year of its existence and it is now firmly established in the school.

A bi-weekly paper was instituted by the girls this year and considering the novelty of the affair, the enterprise was very successful

# VISUAL EDUCATION BUREAU

The Visual Education Bureau is doing a great work in the school by showing films and slides which supplement class work

Many students grasp things which they see caster than those which they hear. Also, some things which are difficult to explain are made clear by the use of especially prepared films. Thus the bureau comes in with its good work and remedies these conditions. It is to the boys who are donating their study periods and spare time that the credit for the success of the bureau goes.

# GIRLS' INTERMEDIATE GLEE CLUB

This club is the newest of the three divisions of the girl's club, having been formed in the fall of 1925 to meet the increasing popularity for glee club work. It is composed of girls who are past the beginners stage but not yet quite ready for the advanced work. Like the other girls' clubs this one is under the direction of Miss Dunlap.

# **BOYS' GLEE CLUB**

The Boy's Glee Club is much larger this year than it has been for several years showing that the masculine portion of M. H. S. is also becoming more interested in music. This club like the others contributed largely to the success of the annual operetta. The boy singers are also under the expert supervision of Miss Ina Dunlap.

# **ORCHESTRA**

With Mr. E. Lee Barnett of the faculty directing, the orchestra has had a very successful year. The members played at several high school entertainments during the year. The orchestra is undoubtedly a credit to the school.

Following is a list of the members: Roy Averill, president; Frances Sackville, librarian; Owen Kline, secretary-treasurer; Verda Beardsley, Helen Montgomery, Zozell Sleet, Mildred Lindstedt, Frank Curtis, Frank Hughes, Leo Suss, Phillip Sheppstedt, LaVern Ohlsen, Bernice Liljah, Vivian Liljah, Paul Smith, Eleanor Krebs, Devere Belden.

# **BAND**

The Moline High School Band, an innovation this year, developed very rapidly under Mr. Barnett's instruction. They appeared at several basketball games and pep meetings. Next year our band should be even better.

Following is a list of the members: Orville Barron, president; Arthur Johnson, librarian; Owen Kline, secretary-treasurer; Charles Roach, LaVern Ohlsen, Bennett Olson, Lloyd Clair, Donald Fries, Richard H. Johnson, Harold Granholm, John Thomson, Donald Irwin, Harold Irwin, Devere Belden, Philip Maver, Robert Douglass, Roy Stone, Barton Baker, Charles Paul, Fred Day, Don Oberg, Marvin Kahn, Earl Peterson, Don Eaton, Paul Smith, Carl Hammergren, Day Lindburg.

## **ORGANIZATIONS**

8

On the few preceding pages we have tried to give an idea of the various clubs in the high school. Besides these, but not having regular meetings, are the Freshman Girl Reserves the Stamp Club and the Home Economies Club.

The value of these clubs to school life is manifold. The most important is that they bring together the different classes and types of students into closer and friendlier groups, and thus aid materially in developing an amiable school spirit.

# Society

To Miss Leona Day, class and club adviser, who is probably more interested in social affairs than any other member of the faculty, do we dedicate this section of our annual

### SOCIETY

### THE JUNIOR-SENIOR PROM

The ballest sectal event of the year, the annual Junior-Senior Prom. was held on May 5. The ramors entertained the seniors in a send off party, and the members of both classes thoroughly enjoyed their joint frolic.

This year's promises a great success. The 29's had everything that could be wished for and a good peppy crowd to en over the Juniors had so decorated the gym that it locked more like a beautiful garden with benches here and there than a place for holding indoor athletic contests. Thousands of variscolored streamers were stretched from the running track to the center of the gym. Even a min a crefountain had been constructed by the energetic juniors.

After several dances in this wonderfully transformed give the crew lower my test to the cateter a which was so decorated that even those who cat their dary and estimate scarcely recognized it. During the retreshments which weren't Lskii or pest likit and his Jazz Jesters performed for the crowd. After ten loring several peptular hits with their harmonicas flutes and other a strainents. Dick Pherps same two sames is ompanied by the planking of his ide. The closing number a very by this very peppy orchestra was a sever little song which was composed by the fellows in the orchestra.

the next event on the program was the terring of a grand march in the gyra ed by the presidents of the two classes. At a certion stage in the narch contests was possed out in huge rolls. These were received hilariously and soon everyone was dancing knee-deep in confetti.

When the final dance carrie and the lights went out as a signal that the arra was over everyone was reluctant indeed to leave. The class of 1/29 certainly gave the seniors a real party and one that required mach circlel planning and much hard work. The number are to be hearfuly congratuated for this most successful party in years.

# THE A. D. C. FELLOWSHIP PARTY

After a couple of weeks spent in trying to determine whether to have a pictuc of a dimension of the fluority committee of the Lucowship and After Dinner Chais staged a very time diliner dance on May 18. The dinner was stressed as the first unporting bill of the air or and a very clever program was carried out in the cacteria. The greats assembled at 6.30 m a cateteria guly decorated with flowers and other on lems it spring. Button I tyxel served as toastmaster and calculation the others of the workuls and various others for speeches. Musical numbers were rendered by Carlindowy John Butte. Brightnen Fritchle and Lave Harris. Mr. Jones contributed his share with several solos. After the danner program with his was employed by a final been completed, the crowd adio irried to the Lymnasium and spent the remainder of the evening in dations. It was indeed a saccessful party and one that will be remembered by all.

#### FACULTY PARTY

The faculty heat their annual party just before the Christmas hobitars. The affair opened with a turkey dinner served in the cateteria with popular songs sting between the courses. The constructionment of the exching consisted of a treasure hant. The teachers divided demselves into teams of four and hunted throughout the building for the pot of gold a decity certain cryptic caues. Mr. Kasel's team wis the lucky one and found the treasure on the back of the stage. Following this they allowed to the gam and spent the test of the chioval covening there around the Christmas tree.

#### LITERARY HOPS

The Literary association sponsors and prescalent sensition in the party where was one dance in the fall semester which was a delightful evening party where dancing was enjoyed to the tune of a peppy orchestra. The second dance of the year was in the form of a Washington's birthday dance, a matinee affair. It was carried out very effectively and a ratge crown afford the left Also during the spring semester there was a dance held after the Big Nine Extempore Contest which was a nuge saccess. This dance sponsored by the laterary association was not only for M. H. S. students but also for anyone in the audience who might care to attend.

#### SENIOR PARTIES

In the last several years it his occurative I that the second platter are is ally only splatsely attended but that everyone on overhimseld internetsely. And so it was this year with the class of 178. The first party which was need carry in the fall was a peppy after but was not attended by very many. The second platty which was put on by the girls of the class was in the form of a leap-year party, the entire responsibility being placed on the girls. This platty testered a master show which was a parody upon the becowship Ministrel. It was a capacity first reserve respect even to the gar's bioding for the dances. It was a anapre attention of the gar's as well as the boys enjoyed it.

During the second semester the boys returned the leap-year party by having one arranged entirely by themselves. The program for this party was no doubt the best of the year. It was a "mock" Class Day and the clever bits of originality went over very high Though the attentioned to the near the many treatments of the year for senior social events, they were all jolly affairs.

### JUNIOR PARTIES

The first party that was sponsored by the '29 class was very successful. It was well attended and he mass attended to the orchestra was very good. The second party of the year was a thristens outs. Every detail was a accordance with the Christmas spirit. The crowd was unusually large and everyone had a "keen" time. This party closed the first semester's entertainments of the juniors.

The spring semester's social events for the '29's were opened by a party in the form of a party dame graph and dresses and over all bringing out the idea in ore distinctly. This party was not so well attended but a good time was enjoyed.

And so, the juniors closed their first year as upperclassmen with everyone voting the parties a real success.

#### SOPHOMORE PARTIES

The sophomores opened their second year of social activities with a masquerade. This party was one year to a swhe attended. There was a very appropriate enterminant inclining a Russian concepts Mary Lea Long and Katherine Coourn. As a clever little skit was incorrectly either thempers of the class. Dancing was enjoyed until the late hour of 11. The second party of the year was a bigger success, financially as well as in attendance. As before, there was a clever bit of entertainment before the dancing.

The opening frolic of the new semester for the sophomores was a very peppy party. At this all it a mistic was given which went ever very oig. Those taking the major parts were. Max Maying in Chinnegh in Bill Scaler Tyle Olsen. Buil Bramble, Lat Donaway, Stephen Darting Toins Nordine and Bob Marsell, whice John Kirby acted as interlection. The gym was decerated with hundreds of paper hearts. There was dancing to the music furnished by the Jumping Jacks.

#### FRESHMAN PARTIES

The Freshmen also opened their social activities with a Hallowe'en Party. The misquerade was very well attended for the first oral of the year and the 'Freshes' mide a good start by coung out a read in meally. Dimeng was encoyed until 10 s I when the last salways good for their. The second party of the semester was a Christians party. This was also a very joby affor and at 9.30 Santa himself arrived

The parties held can be the soring semester were great successes too. The first one algoristic at or beld on February's was attended by 225 happy treshmen. How such a crowd collocemov daming is a mystery, but they claim they did

The treshmen are starting out with saccessful parties so the predictions are lavorable for their next year's social season being equally as good.

The steeps of all these partes was due largely to the untiring efforts of the class officers, the social committees, and the class advisers.

The social committees and sponsors for the various classes are as follows:

1938 So. A Contautre Horence Lindberg, Wildred Okerson, Dorothea Swan Son Rich et A Johnson and Robert McCattery. Advisors: Leona Day, Edna Grant Faye Miller.

and Florence Nordine. Advisers—Barbara Garst, Carl Eckblad.

### MRS. BUMPSTEAD LEIGH

Mrs. Is imposted. Lee hoose of the deverest and best acted Jumer Plays presented in recent years, was given with unusual success on December 3, 1927.

#### SYNOPSIS

Mrs. Bumpstea I Leigh with her sister and mother. Violet and Mrs. De Salle, are a sting at the Leng Island home of Jastin Rawson. Her tather was a patent medicine man in Missionary Leop. Indiana, but since his death they have tried to outlive that memory.

Peter Swallow, a monument man from Indiana and an old sweetheart of Mrs. Bumpstead Leigh, when she was known as Adelaide Sayles, tries to identify these people as the Sayles from Indiana but Mrs. Bumpstead Leigh is too clever and he is unable to do so.

DOLPH LAIN-Coach

After this victory, Violet comes in and tells of their family standing. They are asked to leave at once

Goeffrey, the older son of the Rawsons, comes to Violet and confesses his love to her. They become engaged. Mrs. Bumpstead Leigh is delighted, and in order to get the consent of the Rawsons she hunts up a wild story of the younger son. Anthony, and threatens to publish it if he will not get the consent of his father and aunt. Anthony persuades them to give their consent so that he may stay in society.

Mrs. Bumpstead Leigh and Mrs. De Salle do not become outcasts of society and are asked to prolong their visit.

### CORNEY TURNS THE TRICK

Interesting and unusual, describes the A. D. C. play put on March 23, 1928

#### SYNOPSIS

The scene is laid in the private boarding house of Mrs. Truesdale. There are five girls of the Berkley Mansion School here. The girls are suddenly exicted having heard that an English Lord De Marcy is staving in the town and are all desirous of meeting him

Mrs. Truesdale receives an invitation asking her to bring four girls to help entertain some guests at a dinner at which Lord De Marcy is to be. The fifth girl, Corney Farrall, a newly rich, is much disliked by the other girls and is not invited. However Corney talks to Hannah Marsh and discovers that Miss Marsh will arrange for an introduction to Lord De Marcy

GLADYS ANDERSON Lose

With the help of Arabella Brown, Lord De Marcy is admitted, but he and Cornev are discovered by Miss Tooms, who is a little "off" on Abyssinia. He escapes but unfortunately leaves his glove, Mrs. Truesdale finds it and feels terrible about having a man enter her house. After much questioning Miss Marsh confesses that she had played the part of Lord De Marcy as she had many times as an actress. Corney then says she knew it was not a real English Lord and so the trick is turned

### FELLOWSHIP MINSTRELS

The boys of the Fellowship Club showed their talent and initiative Friday even ing. January 6, by putting on one of the best minstrels in years

The opening skit entitled, "Harmony Junction," was a very clever and original idea. The scene was laid in a small railroad station. A wandering minstrel, Clair Lindberg, a stranger, John Buhle, and his valet, Brightmen Fritchle "delivered the goods" in the way of a peppy orchestra composed of piano, saxophone, and banjo.

As the new maroon curtain closed and parted again, the stage was transformed into a typical minstrel. The interlocutor was Harvey Hintz, while Robert Reimers Brightmen Fritchle, Tom Lundeen, Melvin Anderson, Erdie Morris, Albert Lindberg John Ballic and Cast I policy turnshed considered in fortesta number throughout the performance, acting as "end men." The chorus was composed of the other members of the Fellowship Club

PHIL LIGEN Coach

The song, "Give Me A Night in June," sung by Brightmen Fritchle, made a hit with the audience, as did "Is It Possible" by Clair Lindberg "Sweetheart of Sigma Chi" by Eddie Eaton, "Broken Hearted" by Max Palmer, and "Magnolia" by Melvin Anderson. All the rest of the songs were also enjoyed, but the hit of the evening was "She Don't Wanna" sung by Robert Reimers. The chorus furnished whistling and vocal responses to the songs

### LELAWALA

A very clever operetta was staged by the Glee Clubs on May 11

#### SYNOLSIS

The Oniagarahs, in order to appease the anger of Manitou the Mighty, hold counsel and decide that Chief Wokomis' daughter, Lelawala, shall drift over the falls in a white canoe

Shungela, Chief of the Wyandots, comes to Wokomis and begs for the hand of Lelawala. Lelawala does not love him and prepares to drift over the Thunder Waters.

In the meantime Major Wallace and a company of white travellers, come to the Chief and, when they learn of the sacrificing of the fairest of Indian maidens on the altar of superstition, they try to stop it.

Mabel, the daughter of Major Wallace, goes with Lelawala to meet her brother, Klolowar, coming back from the hunt

Shungela captures them and kills Klolowar. Wokomis is determined that the death of his son shall be avenged, but when he captures Shungela, Lelawala, having learned to forgive from the missionaries, begs to have him spared

As Lelawala is preparing to go over the falls, Shungela comes and says that his tribe will not make war on the Oniagarahs because Wokomis had spared his life Marpeetopah then brings a message from Man-

# **DRAMATICS**

\*

Presented on the last several pages you have seen the pictorial and written accounts of the various dramatic productions that have been put on in the auditorium during the last year. Each of these has been performed in such a high class manner that one would almost think that they had all been acted by professionals rather than amateurs.

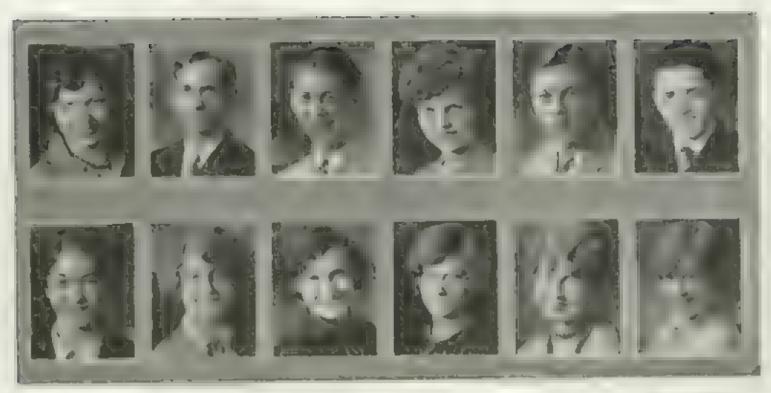

Such performances speak very highly of our coaches and dramatists and indicate the high caliber of M. H. S. activities.

# THE LINE O'TYPE

The record of the Line O'Type for the past year has been marked by several changes in the personnel of the staff. Erdie Morris capably served as editor until mid-year when, because of his gradua tion, Alice Christiansen was appointed to fill the vacant position. Jack Ross, the 1926-1927 editor of the paper, was called upon to act as temporary editor during her illness. The business staff, headed by Robert Reimers, has also done much toward making the year's record a commendable one from the financial standpoint

LEIMERS «Business Mgt

Third place in her class in the annual state press convention was won by the Line O'Type. At the annual convention at Knox College the paper also was honored, winning first place in the editorial contest and second in the news-story. Thus it has been possible, through the co-operation of the two divisions of the management to maintain the high standard previously set and to give the students of the high school a weekly paper of which they may well be proud

## THE "M"

Working under the efficient direction of Burton Fryxell, the editor, the annual staff has labored for months to put forth a year book that would equal if not surpass all former ones. The business staff, with Robert McCaffery as manager, has also put forth every effort to attain the goal in publishing this milestone of school life,

R. P. McCAFFERY -- Business Mgt

Every possible method has been used to produce a bigger and better year book. Several new ideas, which you have probably seen already, have been introduced. Every member of the staff has done his share of the work willingly and cheerfully. This year's book will be entered in several contests and at that time it will be seen whether or not all this laboring will bear fruit. However, no matter how the book fares when in competition with other annuals, if it has satisfied you, the reader, then it will be considered a success by the staff members.

### **EDITOR'S NOTE**

Throughout this book we have tried to picture Moline High School in every possible manner. We have presented a variety of views of the school; we have depicted certain outstanding characters in an unusual manner; we have tried to make you imbibe that underlying feeling of a true student of M. H. S. in short, we have attempted to paint a picture of the school and all it stands for that will become more and more valuable to you with each ensuing year. In doing this we have presented a book that is in many ways different from preceding volumes of the "M," and yet, we hope, at least equal to any.

If in some future year you shall, when turning the pages of this book, be reminded of the days spent here, then we feel that our work shall not have been done in vain.

# **GIRLS' DECLAMATION**

The 1927-28 Forensic Season was opened by the Corls' Local Declaration Contest, Thursday evening, October 27, when eight girls competed for places on the team which was to represent Moline. Mary Jo Sollo, whose selection was "The Slim Princess," was placed first by the judges, while Marie Hankla and Maxine Thomas received second and third places respectively. The other three girls chosen to form the team were Sara Baker, Dorothea Ericson, and Mildred Okerson

The Triangular contest, November 1, was a victory for Rock Island as they defeated both Moline and East Moline. However, Mary Jo Sollo won second at Rock Island where we lost and Marie Hankla took first on the home floor, our team winning over East Moline

It was necessary to resort to drawing to determine the Big Nine representative because of the ranking of Mary Jo Sollo and Marie Hankla being the same. At the Big Nine contest at Canton, November 4, Monmouth, Galesburg and Rock Island won the first three places. Our contestant, Marie Hankla, reading "Hearts Enduring" secured fourth place.

# **BOYS' DECLAMATION**

Len boys competed in the Local contest, held in the auditorium, November 29, for the purpose of elimination. The contest was a closely matched one and unusually interesting. The six successful contestants were Keene Crockett, Stephen Darling, Burton Fryxell, Richard Johnson, Erdie Morris, and John Thomson, Stephen Darling reading "Formality at Siwash" was first; Burton Fryxell, second; and Erdie Morris, third

In the Triangular contest, the three teams finished exactly the same as in the Girls' contests. Moline was beaten by Rock Island by a large margin, but defeated East Moline by nearly as large a one. Rock Island's victory over East Moline gave her the Triangle. In the contest in our auditorium accurated ast Moline, Richard Johnson was awarded first place by the judges.

Stephen Darling by virtue of his showing in both the local and triangular contests was sent to Kewanee, December 9, as our representative at the Big Nine contest there. First, second, and third places were won by Galesburg, Geneseo, and Rock Island respectively. Our contestant ranked among the upper half, however

### **AFFIRMATIVE**

The question debated this year was a timely one and of unusual interest. "Resolved: That the essential features of the McNary-Haugen bill be enacted into law."

The affirmative team was composed of Louis Plambeck, Robert Sellers, and Alice Christiansen, captain. Lloyd Schwiebert was alternate. Although the affirmative case was the more difficult to prove, the team was successful in defeating its opponents.

The Big Nine triangular debate was held at Moline, March 5. The Moline affirmative meeting East Moline's negative. The result was a victory for Moline by a wide margin.

It is extremely unfortunate that our teams could not, after taking second place for two years, win the triangle and then the Big Nine Shield. We hope for better luck next year.

### **NEGATIVE**

The members of the negative team were Marie Hankla, Virgil Bozeman and Joseph Rosborough, captain. Betty Sohner served as alternate. This team met a strong Rock Island team at Rock Island in the first of the Big Nine debates. The contest was a close one: the decision of the judge, however, being in favor of the Islanders.

Although placing only second in the triangle and so not going into the finals of the association the 1928 debate teams were of high caliber and as strong as any that have represented Moline in the past.

The credit for these teams goes to Barbara Garst, the coach, for her unfailing interest and untiring work in endeavoring to have Moline represented by debate teams worthy of the school.

### **EXTEMPORE**

On Monday evening, April 23, ten students contested for places on the extemporaneous speaking team. This local contest was unusually hotly matched and resulted in a tie for first place between Joseph Rosborough and Mary Jo Solio, and for third between Virgil Bozeman and Marie Hankla. The other two members of the team were Robert Sellers and Bill Sohner.

This team met and defeated Rock Island in the annual dual contest held in the Moline auditorium, Mary Jo Sollo taking first place for Moline. Although the Rock Islanders captured both second and third places the total of the Moline team won the contest.

Joseph Rosborough, by virtue of his showing in the preliminary contest, was chosen to represent Moline in the Big Nine contest held at Moline, April 27. Robert Farber, of Geneseo, was the successful contestant winning first place while Rock Island and Monmouth took second and that remotive v. ### LITERARY COACHES

### ELLA M. COCKRELL

Moving behind the literary activities of the high school is the steady guidance of Elia M. Cockrell, head of the English Department. Not only is she adviser of the school paper, "The Line O'Type," but she also oversees all work on the publications. The spirit of friendliness which she brings with her into the work makes everyone who comes into contact with her appreciate her value. It is through her constant efforts that the literary activities have been so uniformly successful.

#### DOLPH LAIN

Each year the students of the school see two more successful plays presented, each of which are the results of the coaching of Dolph Lain of the Public Speaking Department. Coaching plays is not his only occupation for he holds the position of Assistant Principal as well as being coach of the extemp teams. Under his direction our course in public speaking has developed into one of valuable training and is thoroughly appreciated by many students.

#### BARBARA GARSI

Coaching debate from October until April and teaching classes in English should certainly be enough to keep anyone crowded. Yet Barbara Garst never fails to have time to be a friend to those around her even in her bus est moments. Her interest in debate and her ability to make those she coaches as interested, has resulted in several fine teams representing Moline. These teams prove the caliber of her coaching and her many friends give proof of her own disposition.

# Athletics

Fo Mr. George F. Senneff, director of athletics, who has had a signal part in putting Moline High's athletics on so high a standard, do we dedicate this section of our year book

SENNEFF

HOLMGREN

#### G. F. SENNEFF

Coach

Although confronted with the task of building up a practically new eleven from green material, Coach Senneft developed a team that, after a series of defeats in which it was finding itself, brought credit to the school. The virtual victory over Galesburg, the overwhelming defeat of Ottawa, and the tie with Rock Island brought the season to a glorious close and effaced the memory of the former losses.

### C. W. HOLMGREN

Athletic Manager

With each passing year we realize more and more the value of the services of Mr. Holmgren to the school. "Winnie's" ability to arrange contests with the best of teams and to see that everything throughout the season is done properly has earned M. H. S. a reputation in middle-western athletics. We should indeed be hard pressed to find a man to fill his shoes should the occasion ever arise.

LEAN McCORMICK

# W. E. BEAN

### Assistant Coach

Continuing his excellent work of last year, Mr. Bean has won a place for himself in the hearts of the student body. It was largely through his efforts that our line was so nearly impregnable all season. Then by taking charge of the pre-season basketball and track men he prepared them for the time when Senneff could take charge of the team.

### L. J. McCORMICK

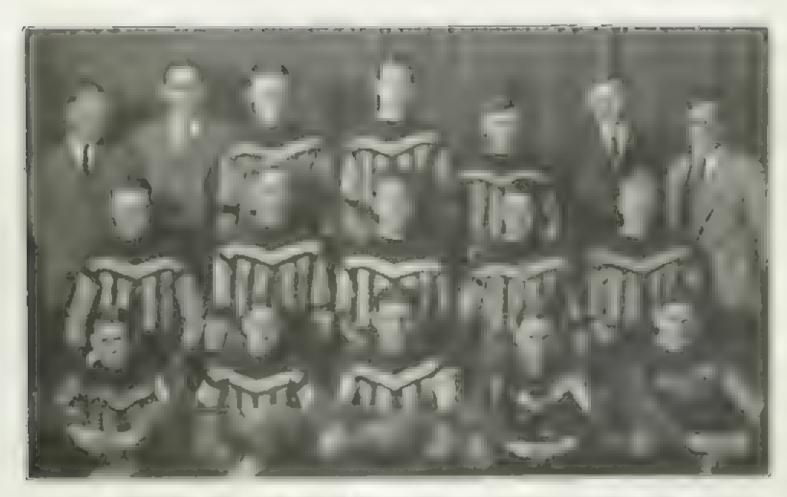

Assistant Coach

Coming to Moline High with an unusual record as an athelte at Carthage College, Mr. McCormick proved his worth as a coach. Quiet and unostentatious "Mac" is nevertheless very popular with fellows and performs his duties in a faultless manner. Next year, with this year's work to his credit, he should be an even greater aid to our coaching staff.

The work of the reserve team is essentially the building up and strengthening of the varsity team. Consequently it is from this view-point that we must decide the success or failure of the season for the second team. And from this viewpoint—although the reserves had a fairly successful season in actual games won and lost—we must, in view of the fact that they aided so materially in building up the green team that finally tied Rock Island, hail this as a most successful season for the reserves

# FOOTBALL SEASON

Starting the season with a nucleus of but three letter men to work with, Coach Senneff developed a fighting squad that made a name for itself. Although the actual percentage of games won and lost does not indicate a successful season, the fact that the boys were fighting a game uphill battle against big odds speaks well for the team. Improving with each game, getting more and more experience, eliminating

their greenness and unfamiliarity with the game, struggling thru defeat after defeat, and heally gaming confidence in themselves, the 1927 team ended the season in a blaze of glory. Trouncing Ottawa 320 they then held the doughty Rock Island eleven to a 6-6 tie in the annual Thanksgiving classic.

Outclassed by a team of eight veterans the Maroons dropped the opening game

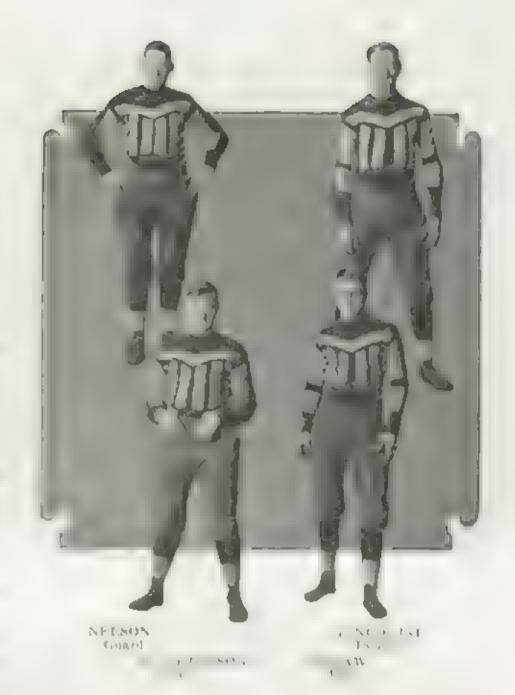

of the season to Streator 6-0. The home squad was seriously handicapped by inexperience but proved that their defnese was nothing to be laughed at Streator was on the offensive most of the time but was unable to score

bowing Schoolay brotant Spring Valley with eleven veterans to Browning Field. Led by Murphy and Esterdahl the Maroons put up a thrilling battle but we finally forced to yield, 18-13.

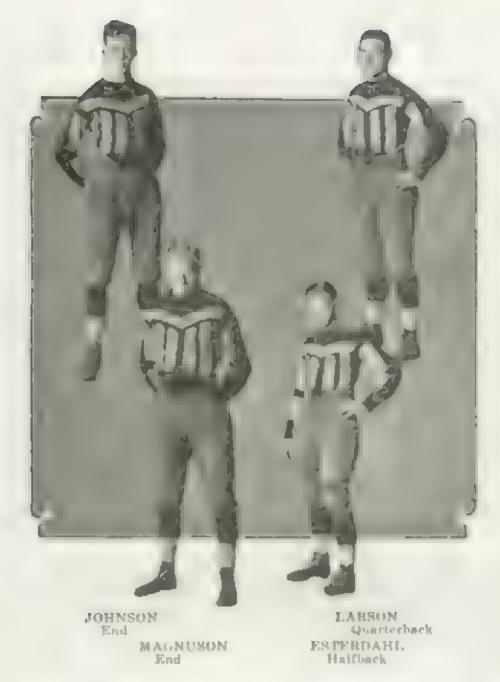

On the first road trip of the year, 125 fans from Moline accompanied the team to Kewanee and witnessed a complete reversal of form. Playing like yet erans and following the ball

like hawks the game culminated in a 13-7 victory for Moline when Les Nelson scooped up a fumble and ran for a touchdown. The next two games, however, were sid defeats. Playing before some 120 "M" men the boys fought valiantly but in vain. The game ended 26-0 in favor of Oak Park. Then in the first meeting with Davenport since 1922 the lowers desplaying an anazingly speedy attack left us on the

short end of a 31-0 count. The Maroons were handicapped by the fact that Captain Giesenhagen was forced to spend part of the game on the bench because of a badly infected foot, and by the loss of Larson, regular

# FOOTBALL SEASON (Continued)

quarterback, due to an injury.

The Davenport game marked the cris's of the football season. Things took a decided turn for the better after this game. On the following Friday the term journeyed down to Peoria and met the strong Central team. Although the score was 12-0 against the Maroons, it was not a true representation of the strength of the two teams. Peoria

scored twice in the first half by long passes but throughout the rest of the game they were ledd helpton in every department of the game except per the Maroons were the superior to the Persons. The work of blue Mone Ringuist and "Bull" Peterson in the line was especially commendable.

The Galesburg game the following Saturday was a virtual victory although it

ended in a 13-13 tie. Moline had the extra point needed for a victory scored, only to lose it again when some lineman was offside. Our line again was practically invulnerable. Oakleaf, Peterson, Straw and the rest playing a whale of a game

# FOOTBALL SEASON (Continued)

Then came Ottawa and a one-sided victory. The whole team played a really wonderful game, but the work of Graffund, who plunged ten yards at a time, and of the ends, Johnson and Magnuson, who did everything expected of an end, was especially gratifying. The final score read 39-0, in favor of Moline,

On Thanksgiving Day Rock Island, confident of

victory and boasting the best team they have had in recent years, came over to Browning Field to do battle. Fighting furiously with everything to gain and nothing to lose, Moline, the under-dogs of the affair, carried the battle into the Islanders, predicted to win by a large margin, and swept them out the rine. It is a superfield to also that the common they took the initiative and with everyone time time to nog together in perfect accord they drove the Tri-City champs back and back until that tying score was made. It was a game that will be remembered for many years

by all who witnessed *l*t. It was a battle of the aroused underdogs toppling over the doughty and over-confident favorites.

And so the season ended and the Dispatch trophy was kept in our trophy case for another year, although it didn't count toward permanent passess on

# CHEER LEADERS

#### BOB PETERSON

Throughout the football season "Pete" kept the student body yelling. He introduced several new yells that went over big and with his unique humor and likability bucked up our faith in the team after each setback. His optimistic predictions regarding the team were fulfilled with the defeat of Ottawa and the tie with Rock Island.

### BOB McCAFFERY

Starting up where "Pete" left off, "Mac" continued the good work of his predecessor. He never failed to get a loud response at either a pep meeting or a basketball game. Bob's all around good nature and the way he handled his task made him a favorite with the students.

# BASKETBALL SEASON REVIEW

Although the 1928 basketball squad did not bring home the title of district complosition was received the term was remarkably strong as a shown by the season received Some give torses over soon terms as Davenjort, Rock Is, and Savanna Streator, La Salle-Peru, and others is indeed worthy of boasting. Besides that the Maron and other grants the test terms of the Middle West reached the semi-times to estimate the form termines in December 27 and 3. The fact that we lost to Orion in the district tourney is no disgrace, as is seen by the fact the Orion team won the teamer and hem ade a remarkable showing in the sectional games. But the neglest claim to fame evinced by this year's team is the fact that it won undisputed possession of the Dispatch Trophy, emblematic of the Tri-City championship.

The first Tri-City battle brought together Moline and Davenport and the outcome of it did not look so rosy for our championship aspirations. The game was eight or New Year's Live and the Viction and White cagers wearied by the Streator tourney, were forced to bow to the boys across the river.

Following this contest came a series of victories spiced with our second defeat

at the hands of the strong Streator quintet. It chical course and important battle the first game with Rock Island. The teams root it Auga before a large crowd and, when the hue and cry of the battle had subspace, it was seen that Moline had won a hard-earned victory.

The second game with Daven, of the notitie titles terned. Although the fowans led throughout the first half and seemed to lave the Mariens at their nercy. Mohine came back in the second half to clinch the victory. Tying the score in the third period Coach Senneft's proteges continued their pace in the last quarter and soon ran up enough points to put the game on ice.

The Maroons having finally acteated the unx of the season, Streator, were confident of victory. The Islanders with their last chance to get a share of the championship, were desperate. But confidence ever was a better quality than desperation and this game wis far from an exception. The Maroons passed over under, and around the Crimson and Gold to score a total of 4t points propably the largest score ever made by a Moane team in a basketballig me with Rock Island. It was an easy 46-25 victory and made the Senneffmen Tri-City champs for the year.

## DISTRICT BASKETBALL TOURNAMENT

The annual District Basketball Tourney had at the Augustana gym. March 8, 9, and 10 and sponsored by the Maine High 8 tool Athactic Association proved to be oral of the last manaled and most alies y confested to irneys that has ever been held there. It was from the start a tourney of surprises and upsets. Of the original seventeen entries Moline, Rock Island and Atkinson were looked upon as the three favorites. Yet each of these was eliminated and a rank outsider, so to speak, was awarded the championship.

Moline, victors every year save one since the annual affair started in 1921, was looked upon as the strongest team entered. Atkinson, having swept through the season with some twenty odd consecutive victories including Moline and two minor tournaments, was conceded an excellent chance to keep her slate clean and win her third tourney of the year. Rock Island, always a strong contender, was expected to sweet through the expected to sweet through the finals. But the experts reckoned without thought of Fred Benson's quintet from Orion.

Orion faced the hardest schedule of any team entered. In their very first game to ket hen on some of ked herrs with Cambridge a tear (which had a ready decedor their eather in the set some. The Atkinson game was even closer. Coming from behind in the 15th hill Orion fought the analytical Atkinson boys to a standstill to even the score at 22 aprece. Then in the overtime period their got the impound nosed out her opponents 25.34 in a gine that left the spections weak from excitening. Flan followed the final game. Consent fixed by the Aleds and Sheriard games could not stand the hot pace set by the sterling Orionites and succumbed 43-22.

The fact that Moline did not win her fifth consecutive championship should not be held against Seriall's worror. Orion had a true great term as is shown by the carber of the terms she octated to win the district from Moline fought hard and gave Orion as still a battle is my other team. ## 1927 TRACK SEASON

For the past few years Moline's status in track has declined sadly. It has been some time since we had a winning to know a very status of even a group of really good men has been turned out recently. Consequently, our teams have not upheld the standard set in football and basket about a strong team was not a winning algregation, it do furth well everything considered. Great improvement was shown in a chimect and with the experience gained, it is to be hoped that some of the underclassmen will in the years to come, place us on the map again. Let us at least hope for a brighter future.

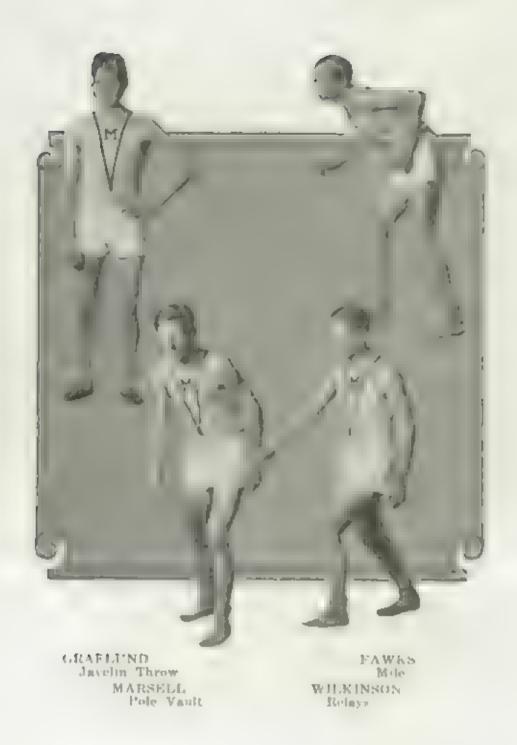

The season opened on April 23 with a dual meet at Davenport. The Iowans completely annihilated the Maroons. With lat one letter man, Ken Thomas crite to torits we were able to score but 16 points while the boys from across the river piled up 120, taking every first place and sweeping several events. This meet clearly showed Moline's greenness and need of more contestants.

## 1927 TRACK SEASON—Continued

Two weeks of intensive training followed, after which on May 7, the Big Nine Meet was held at Browning Field. The Maroons were doped as one of the weakest teams in the meet and many pessimists prophesied that they would not garner a single point. However, these two weeks of training nore some trult for the Maroons parting all they had into it seered a total of 12 points for fifth place. Its ug for the by only one marker. Gresher, signate list not not worther nection for Kewinee was second and Rock Island third. Our points were gained in the pole vault, javelin throw, shot put, mile and half mile, and the medley relay. Dennhardt in the pole vault, and Graffund, in the javelin throw, scored second places for our best scores.

A week later in the Sectional Meet, also held at Browning Field, the boys stepped along to cop sixth place scoring 18 points and losing fifth by only ½ of a point. Rock Island, Kewanee, and Aledo took the first three places. Magnuson in the fifty yard dash Peterson in the nile and Langust in the hist mile. The taking scorne place went the right to go to Urbane and participation the Soite Meet. At length they did good work there, they just failed to place.

## 1927 TRACK SEASON—Continued

On May 25 the Quadic to Meet was held at Davenport. Mound showed considerable improvement over her first showing on the Davenport Field. Although the great lower team ran away with the about the Mission made organishment. They scored 30 points pushing Rock Island to see in 1 poor of little of the meet. Fourthennhardt set a new Quadic to record when he went up are cover the ban bot at 10 H 814 inches in the pole vault. Several Davenport men also set new marks.

The La Salle-Peru meet, postponed several times, was finally abandoned altogether. It is too bad this had to occur because if the meet had been held it would have given a true indicate near the more vement shown by the sound since the start of the season. With such men as Ringquist, Parker, Wilkinson, Marsell, and Fawks back for another two seasons of track, thus giving the coaches a nucleus to start on, our track teams should be better in the future.

At the close of the regular season Palmquist and Magnusson were chosen as joint captains for the 1938 season and the latter was especially honored with the captainty of the 1927 squad.

## Seniors (Second Place)

The 1928 girls, although they lost their big chance for the class championship in their senior year, should not feel too disappointed. Any team that could hold the jumors to two overtime periods before losing can put up a stiff battle. Though losing, they proved themselves good players as well as good losers. ## INTERCLASS BASKETBALL

### BOYS' HEAVYWEIGHT TOURNEY

The very first game of the tournament proved to be more or less of a surprise affair. With the seniors and freshmen clashing, everyone expected to see a walkaway victory for the upper classmen. However the 28's, slightly overconfident, met an amazing display of teamwork in a first year team and neither side was able to score in the first half. However, size and experience finally told and the seniors emerged victorious, 9-6. The second game was also a thriller. In a first-class game, with the lead switching hands several times, the juniors managed to down the sophomores, 15-13.

In the second day of play the two winning and two losing teams met one another. Both The 30's showed great power in downing the frosh 19-9 while the seniors found themselves and turned back the juniors 20-12.

The '29 and '30 teams now met a second time to fight for the right to meet the senior team in the finals. In the most thrilling game of the tournament, the sophs turned the tables and beat the juniors, 17-15, in an overtime game.

The 28's, however, were not headed in the finals and without much difficulty defeated the second year men, 20-13.

### BOYS' LIGHTWEIGHT TOURNEY

The freshmen and junior teams met in the first game. The doughty 29's, favored to repeat last year's feat of capturing the championship, had an easy time trouncing the yearings, 20-6. The second game, between the 28's and 30's proved a different affair. In an extreme viose contest the seniors finally won 8-6.

In the second day of the tourney the junior team continued its march toward the championship by trouncing the semor aggregation, 15-8. The freshmen team, presenting a dazzling attack of teamwork, surprised the sophs, to win, 12 5. The work of the '31 team was very turnshal in a freshmen team and was a very pleasing sight to the spectators.

This freshmen squad was next pitted against the seniors and nearly "took" them. Maintaining the same pace shown the day before they played so strong a game that, if it hadn't been for the senior center, who seemed to have obtained added spirit from somwhere and sunk six field goals, they probably would have won. As it was, the 28's emerged winners, 18-16.

The final game upset the dope bucket. The 29's, favorites from the start, took an early lead and maintained it most of the time. Then in a last minute raily, after the jumor center had been removed via the foul route, the seniors made three baskets in rapid succession to win, 25-20.

### GIRLS' TOURNEY

contested and no team was ever sure of victory until the final whistle. This is clearly shown by the fact that no team amassed a total of more than twelve points and none ever won by more than five points.

The tourney opened with a game between the juniors and freshmen. The 29's piled up a big enough lead in the first half, while the frosh were still trying to find their scoring eyes, to clinch the game. The 31's put up a strong game especially in the last half, but the jumor girls were never headed and wou, 12-7. The second game, bringing together the 28's and 30's, proved to be much closer. The seniors were taken by surprise and it was only their superior experience and familiarity with the hardwood floor that earned them a one point victory, 7-6.

On the following day the freshmen were eliminated by the second year girls after a close game, 9.4. Then came a surprise and the first indication of the outcome of the tournament. The juniors, presenting an airtight defense, turned back the senior girls to the time of 6.1. The seniors, stunned by this setback, had no easy time winning their way to the finals, but finally did so by downing the 30's, 8-4.

champs. In a two-overtime period game the juniors finally defeated the desperately fighting 28's, 11-10. This is the first time that a junior girls team has won the tourney and the 1929 girls deserve much credit for turning the trick

### INTER-CLASS TRACK MEET

For the second time in as many years the class of 1928 won the inter-class track meet. Last year as Jamots, they outscored ad other teams, and this year as Seniors they for the first time in the history of inter-class track meets at M. H. S. repeated last year's victory. The standing of the classes follows:

Seniors	44 1 0
Sophomores .	26 1 3
Juniors	1.5
Freshmen	4 1 2

Several promising young athletes were discovered as a result of the track meet and they are looked up to help Mobile regain some of her lost prestige in track competition. Several times records were nearly equaled, and one new mark was established.

Warren Laterdald of the senior class was tach point man of the facet annexing tast place in the 2s varid dash and seconds in the 1-3 varid dash high tang pole and shot put. Besides this he ran on the winning relay team scorning a total of 17 points.

Marvin Parker, '30, vied with "Spike" for individual honors. The sophomore dash took arsts in the 10c and 200 varid dashes and third in the 200. His time of 27 seconds in the 220 created the only new record of the meet.

Edwin Pain quist, a senior and joint track capitain of this year's squad was the only other contestant to win two tists. He won the half and mile events in handy style.

The following summarizes the events of the meet:

## ANNUAL M. H. S. MEDICAL REPORT

I, Dr. E. P. Nutting, Q. E. D. P. D. Q. M. D., as your invaluable medical adviser, beg to submit my annual report of the various mandes epidemics and contagious diseases which have afflicted the denizers of this region of learning. The following cases are authentic in so Lit as the authorities have knowledge and CURFS and TREATMENTS are duly recorded.

The following is the report—disease, amount, and cure:

Spring Fever-99 9 10% of M. H. S. Incurable.

Studymengitis-1, 10%, mostly Freshmen. Must be allowed to run its course.

Gloomitis—Finals for Juniors and Seniors.

Hilaritis-Seniors. No more school.

Zeroitis-Juniors. Not so many dates.

All these cases have been successfully treated, not without the aid of a good corps of Senior assistants, however. To these industrious personages we feel safe in awarding the following degrees, as long as they are graduating anyway:

Dr. of Dignity—Joe Oakleaf. Dr. of Beauty-Bob McCaffery. Master of Foolishness-Erdie Morris. Bachelor of Bluffing-Tom Lundeen. Dr. of Digging-Clara Kolb. Bachelor of Cramming-Jeanne Smith. Bachelor of Giggleology—Reney Sherman. Dr. of Wit-Max Palmer. Bachelor of Smileology-Dot Swanson. Bacehlor of Bashfulness—Fight Murphy. Bachelor of Gossipping—Mildred Luchman, Prof. of Slangology—Burt Fryxell. Master of Stalling-Bob O'Rourke, Bachelor of Blabbing—Evelyn Eksteen. Bachelor of Babyishness—Mickey Okerson. Dr. of Romance—Eddie Eaton. Bachelor of Athletics—Albert Larson. Master of Flirtology—Flo Lindberg. Dr. of Popularity—Harvey Hintz.

A Message of Appreciation

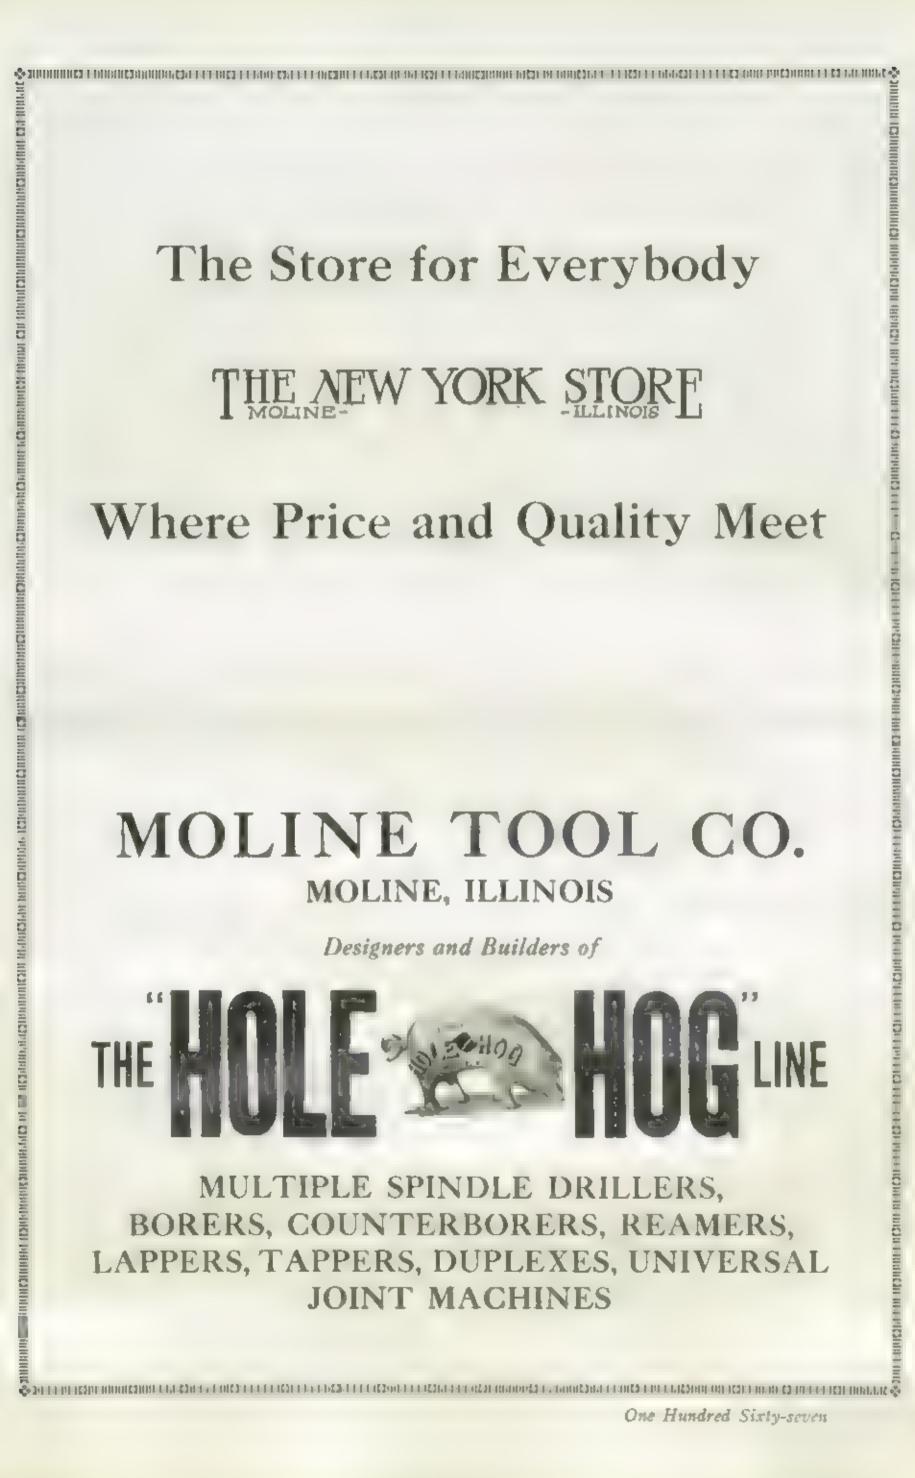

It is the people who are interested in Moline High School that the student body should be interested in. The advertisements appearing on the following pages are those of people, in and about our city, who have shown themselves public spirited enough and interested enough in the high school to lend their support to this publication. We sincerely appreciate this aid and trust that the student body as a whole will show our appreciation by showing an interest in and patronizing our advertisers as much as possible in the future.

# MOLINE DAILY DISPATCH

As we enter into our fiftleth year as faithful publishers, we look back and reflect on the splendid record and progress we have made.

Year after year the Dispatch has made great strides towards bettering itself and its community. Not only in its circulation or total advertising inches, which are exceeded every year by the preceding year, but also in its progress towards literary achievements.

We realize that this would not be possible if it were not for the generous help given by the Moline High Students and its Alumni. We thank you for helping us in making our paper the

# ELECTRICITY—THE CHAMPION OF CULTURE

Science may measure electricity in terms of volts and ohms, business, in terms of kilowatt holds and the clave of production; homemakers, in terms of its labor-saving and comfort-making advantages.

However measured, the use of electricity is all departments of our industrial and domestic life stands cut among the most important basic causes of America's well-being.

Every day some new electrical convenience puts American standards of living on a still higher plane. The American wife pushes a button, and a stantly there is summoned an animited supply of electric energy capable of feats beyond the comprehension of the legendary Aladdin.

These things are possible recause of the application of the American principle of Individual initiative. In the continued support of this principle lies America's assurance of all that makes for progress, prosperity and cultural advancement.

# Fresh Air

Air which has been playing tag with shrubberies and trees yesterday in Colorado, Michigan. or Maine-or any other place-is playing mischief with your hat or hair today.

At some point in this distance OLD SOL with the sun rays has purified it, the lakes, rivers and rains have humidified it, and the trees and the shrubberies have loaded it with oxygen.

This pure, fresh air is just outside of the window.

The Univent brings this pure, fresh air from just outside the window, heats it to a normal temperature and distributes it to every nook and corner of the room.

The Univent changes the air in each room completely eight to nine times each hour.

Ask to have the Univent explained to you. You will find it interesting.

# The Land Looker

CROSS prairies and through timberland, where lights in new homes twinkled at dusk, trudged the land-looker of pioneer days.

Back of him, in temporary quarters at a frontier settlement, was his family; ahead of him lay his opportunity to get a home.

No soldier under Caesar, no "doughboy" under Pershing, ever marched with a heavier burden.

A long rifle, an axe, an auger, a window sash with panes in place and a huge knapsack, made of heavy bedticking and crammed with clothing and provisions—those were among the accourtements of the land-looker as he pressed on into the wilderness.

He sought good plow land. Finding

it, he located his quarter-section, built his pre-emption shanty, and lived in it the three days necessary to hold his claim for a year. Then, back more than a hundred miles to the frontier village and his family.

Soon his emigrant wagon was on the westward trail—an ox-drawn wagon, making six miles a day. Boys trudged behind the wagon, driving milch cows and pigs. Mother sat in the front seat lulling the baby to sleep. Father strode, with long whip in hand, and long rifle in convenient grasp, beside the oxen. Stored back in the wagon, were the household goods—homemade furniture, home-made bedding, home-made clothing, spinning wheels, loom and crockery. In a coop, at the tear, were a half-dozen chickens. And swung up tightly to one side of the

wagon was that symbol of civilization, chief reliance of the pioneer farmer—a John Deere plow.

Days and loss of slow travel, and

—a new home-light beamed the message of achievement across the prairie at dusk; another family was established, ready with the John Deere plow to win a prosperous farm from the wilderness.

5 5

Thus, long ago, in the hearts of pioneers to whom a good plow meant everything, the seeds of good will for John Peere were planted -good will that extends today to John Deere equipment for practically every farming operation.

He climbed up to capture it.

The parrot looked at him and said sharply, "What do you want?"

The countryman touched his cap, "Beg pardon sir, I thought you was a bird,"

Nelson—"I've got a basketball Les nose.

Morrie Ringquist-"How come?" Les Nelson-"It dribbles,"

Miss Toyne 'Are you sure this is a perfectly original theme?"

Joe Quinn-"Not exactly; you may find one or two words in the dictionary."
